1 **Matte Black Phenolic Worksurfaces**

These non-porous, heat-resistant and easy to clean countertops create a durable and sophisticated work surface that's easy to clean.

2 **Spacious Interiors**

Constructed from composite panels for exceptional strength and durability. Bright LED light illuminates to provide a safe and secure workspace.

3 **Rear & Access Door**

Provides convenient access to fiber optic cables for splicing, maintenance, etc. Helps keep the air temperature regulated for a more comfortable area while you work.

4 **CORE Rail Mounting System**

Our CORE Rail mounting system was designed to streamline your setup for a more efficient and organized workspace. Keep your tools and essentials within easy reach.

5 **Premium PVC Cabinetry**

Waterproof high-quality PVC cabinetry designed and created in-house with seamless slides and latch lock turn knobs to keep your gear in place while on the go.
